

## SECURITY DATA SHEET

**WEBER.COL FIX** Revision: 3.0 Date of revision: 24.02.16

According to the (EC) 1907/2006 (REACH) and (UE) 453/2010 regulations.

### 1. - IDENTIFICATION OF THE SUBSTANCE AND OF THE COMPANY

Trade name:	<b>weber.col fix</b>
Intended application:	Ready-mixed tile adhesive multi-use.
Relevant identified uses of the substance or mixture and uses advised against:	No further relevant data available.
Manufacturer/Distributor:	<b>Saint-Gobain Weber Cemarsa S.A.</b> Crt. C 17 Km. 2 08110 MONTCADA I REIXAC Barcelona (Spain)
Telephone number:	+34 93 572 65 00
E-mail for contact:	info@weber.es
Telephone emergencies:	+34 93 572 65 00 During working hours only
Emergency telephone number:	112 (EU only)

### 2. - HAZARDS IDENTIFICATION

#### **MIXTURE CLASSIFICATION (as by the 1272/2008 UE Regulation):**

This mixture is not classified as hazardous as by the 1272/2008 UE Regulation.

#### **LABEL ELEMENTS (as by the 1272/2008 Regulation):**

##### Additional hazard information:

EUH208 Contains 5-Cloro-2-metil-2H-Isotiazol-3-ona and 2-metil-2H-Isotiazol-3-ona. May provoke an allergical reaction.

#### **OTHER HAZARDS:**

##### **Results of PBT and vPvB assessment:**

**PBT:** Not applicable.

**vPvB:** Not applicable.

## SECURITY DATA SHEET

WEBER.COL FIX Revision: 3.0 Date of revision: 24.02.16

### 3. - COMPOSITION / INFORMATION ON INGREDIENTS

Chemical composition Synthetic resins in watery dispersion  
Mineral charges  
Organic and non-organic additives

Hazardous components:

#### **Ammonium hydroxide (25%)**

Concentration: < 0,1 %  
CAS number: 1336-21-6  
EINECS number: 215-647-6  
Classification according to 1272/2008 Regulation  
Cutaneous and ocular corrosion 1B, STOT SE 3, Toxicity aquatic acute 1  
Class and classification of the hazard:  
Hazard indication: H314 H335 H400

### 4. - FIRST AID MEASURES

#### **4.1 First aid measures description**

##### **General instructions:**

Immediately take out the victim from the hazard zone. Visit a medic if patient requires it presenting this informative sheet.

If inhaled:

Supply fresh air. In case of disorder, consult a medic.

If skin contact: in general, this product does not irritate skin.

If eye contact: rinse the open eyes during various minutes with running fresh water.

If ingested: Consult a medic in case of persistent malaise.

#### **4.2 Principal symptoms and effects, acute and delayed**

There are no further relevant data available.

#### **4.3 Indication of medical treatment and special treatment to be applied immediately**

There are no further relevant data available.

### 5. - FIRE-FIGHTING MEASURES

#### **5.1 Extinguishing means**

##### **Suitable extinguishing agents:**

CO<sub>2</sub>, extinguishing powder or water jet. Major fires to be extinguished with water jet or alcohol resistant foam.

#### **5.2 Special hazards arising from the substance or mixture**

There are no further relevant data available.

#### **5.3 Advice for fire-fighters**

**Special protective equipment:** Any special means or equipment required.

## SECURITY DATA SHEET

WEBER.COL FIX Revision: 3.0 Date of revision: 24.02.16

### 6. - ACCIDENTAL RELEASE MEASURES

**6.1 Person-related safety precautions, protection equipment and emergency procedures:**

Not necessary.

**6.2 Environmental precautions:**

No special measures required.

**6.3 Methods for containment and cleaning:**

Eliminate applying absorbent material (sand, diatomite, acid binders, universal binders, sawdust).

**6.4 Reference to other sections:**

For secure handling instructions, see section 13.

See section 8 for more information on personal protection equipment.

For more information on disposal methods, see section 13.

### 7. - HANDLING AND STORAGE

**7.1 Precautions for safe handling:** No special measures required if used correctly.

**Fire and explosion prevention:** No special measures required.

**7.2 Safe storage conditions, including possible incompatibilities**

**Storage:**

**Store and container requirements:**

Keep in original sealed containers only.

**Norms for complex storage:** Not required.

**7.3 Specific final uses:** No further relevant data available.

### 8. - EXPOSURE LIMITS AND PERSONAL PROTECTION MEANS

**Additional technical installations preparation instructions:**

No more data available see Section 7.

**8.1 Control parameters**

**Additional Occupational Exposure Limit Values for possible hazards in working area:**

**Additional instructions:**

Current lists valid as per the elaboration of this document date have been used as a base.

**8.2 Exposure controls**

**Personal Protection Means:**

**General protection and hygiene means:**

Chemical products handling safety means have to be observed.

Wash your hands before any work stops and after the work finishes.

**Respiratory airways protection:** Not necessary.

**Hands protection:**

If in constant direct contact, use the protection gloves.

**Gloves material**

Butyl rubber

Nitrile rubber

## SECURITY DATA SHEET

WEBER.COL FIX Revision: 3.0 Date of revision: 24.02.16

**Eyes protection:**

Protective glasses.

**Body protection:** protective working clothes.

### 9. - PHYSICAL OR CHEMICAL PROPERTIES

**Basic physical and chemical properties information**

**General data**

**Appearance**

**Form:** Paste like

**Color:** according to product specification

**Odour:** Aromatic

**Odour threshold:** Undetermined

**pH:** Slightly alkaline

**State change:**

**Melting point /melting range:** Undetermined.

**Boiling point/Boiling range:** No applicable

**Flash point:** Undetermined

**Decomposition temperature:** Undetermined

**Self-igniting:** This product is not self-igniting

**Danger of explosion:** This product is not explosive

**Explosion limits:**

**Lower:** Not applicable.

**Upper:** Not applicable

**Pyrotechnical transport conditions properties:** Undetermined

**Vapor pressure:** Undetermined.

**Density**

**Apparent density:** Not applicable.

**Relative density:** Undetermined.

**Vapor density:** Undetermined.

**Evaporation rate:** Undetermined.

**Solubility in / Miscibility with:**

**Water:** little or no miscible

**Segregation coefficient (n-octanol/water ):** Undetermined.

**Viscosity:**

**Dynamic:** Undetermined.

**Kinematic:** Undetermined

**Solvent separation test:** Undetermined.

**Liquid components:**

**EU-VOC:** 0,00 %

**Additional information:** No further relevant data available.

## SECURITY DATA SHEET

WEBER.COL FIX Revision: 3.0 Date of revision: 24.02.16

### 10. - STABILITY AND REACTIVITY

#### Reactivity

Chemical stability: stable if maintained in recommended storage conditions.

Chemical thermic decomposition / conditions to be avoided:

It does not suffer decomposition if used adequately.

Hazardous reactions probability: No hazardous reactions are known.

Conditions to be avoided: No more relevant data available.

Incompatible materials: No more relevant data available.

Hazardous decomposition products: Not known any hazardous decomposition products.

### 11. - TOXICOLOGICAL INFORMATION

#### 11.1 Information on toxicological effects

**Acute toxicity**

**Primary irritant effect:**

**Skin:** Does not provoke irritations.

**Eye:** Does not provoke irritations.

**Sensitizing:** Any sensitizing effect is known.

### 12. - ECOLOGICAL INFORMATION

#### 12.1 Toxicity

**Aquatic toxicity:** No more relevant data available.

**12.2 Persistence and degradability:** No more relevant data available.

**12.3 Bio accumulation potential:** No more relevant data available.

**Ecosystems effects:**

**12.4 Mobility in soil:** No further relevant data available.

**Additional ecological information**

**General notes:**

Not allow to filtrate into subterranean waters, superficial waters or sewage systems.

**12.5 PBT and vPvB valuation results**

**PBT:** Not applicable.

**vPvB:** Not applicable.

**12.6 Other adverse effects** No further relevant information available.

### 13. - DISPOSAL CONSIDERATIONS

#### **Methods for waste treatment**

**General:** Dispose in a safe way according local and national legislation.

**Product waste disposal:** Eliminate according local legislation.

**Possible waste code:** 070799 Not otherwise specified in other categories waste.

## SECURITY DATA SHEET

WEBER.COL FIX Revision: 3.0 Date of revision: 24.02.16

### Not cleaned packaging

**Recommendation:** dispose as specified in official waste disposal documentation.  
Contaminated containers or packaging can be recycled.

## 14. - TRANSPORT INFORMATION

ADR	Not a dangerous product
RID	Not a dangerous product
IATA/ICAO	Not a dangerous product
IMDG	Not a dangerous product

## 15. - REGULATORY INFORMATION

### Specific Security, Health and Environmental regulations and legislation for this mixture:

No more relevant data available.

### Chemical security evaluation:

Not executed.

## 16. - OTHER INFORMATIONS

### H phrases used in Section 3:

H314: Causes severe skin burns and eye damage.

H335: Can irritate respiratory airways.

H400: Highly toxic to aquatic life.

### ABBREVIATIONS AND ACRONYMS:

The list of abbreviations and acronyms which could have been used (not necessarily all of them have been used) in this particular Safety Data Sheet:

REACH: Regulations on chemical products' registering, evaluation, authorizing and restricting.

· DSD: Dangerous substances Directive.

· DPD: Dangerous preparations Directive.

· GHS: UN Globally Harmonized System of Classification and Labelling of Chemicals.

· CLP: EU Regulation on Classification, Packaging and Labelling for the identification of hazardous chemical substances and mixtures.

· EINECS: European Inventory of Existing Commercial chemical Substances.

· ELINCS: European List of Notified Chemical Substances.

· CAS: Chemical Abstracts Service (Division of the American Chemical Society).

## SECURITY DATA SHEET

**WEBER.COL FIX** Revision: 3.0 Date of revision: 24.02.16

- UVCB: Chemical Substances of Unknown or Variable Composition, Complex Reaction Products and Biological Materials.
- SVHC: Substance of Very High Concern.
- PBT: Persistent, bio accumulative and toxic substances.
- VPvB: Very persistent and very bio accumulative substances.
- COV: Volatile organic compounds.
- DNEL: Derived no effect levels (REACH).
- PNEC: Predicted No Effect Concentration (REACH).
- DL50: Lethal dose, 50 per cent.
- CL50: Lethal concentration, 50 per cent.
- ONU: United Nations Organisation.
- ADR: European Agreement concerning the International Carriage of Dangerous Goods by Road.
- RID: Regulations concerning the international transport of dangerous goods by rail.
- IMDG: International maritime code for dangerous goods transportation.
- IATA: International Air Transport Association.
- ICAO: International Civil Aviation Organization.

The information provided in this Safety Data Sheet is based in our present knowledge and the national and E.U. legislation currently in force. The user working conditions are neither under our control nor under our knowledge.

The user is responsible for ensuring that the product is suitable for the intended application and that it is used adequately. The user is always responsible for complying with the requirements established in the applicable legislation.

The information contained in this Safety Data Sheet only constitutes a safety requirement guide and it shall not be considered as a guarantee of the product properties.
